

Subject: Application for Rejoining Internship Opportunity

Dear Sir,

I hope this message finds you well. I am writing to express my interest in rejoining the internship program at XDezo Technology. I previously had to take a temporary leave to address urgent college assignment problems. I have now resolved these issues and am eager to resume my internship with renewed dedication. During my previous tenure, I gained valuable experience in [Twitter clone]. I believe my skills in [fullstack developer] make me a strong candidate for contributing effectively to your team once again. I am flexible with regards to the duration and schedule of my internship and am prepared to recommit myself to the program. I would be grateful for the opportunity to discuss this further at your earliest convenience. Thank you for considering my application.

Best regards,
